BUSINESSES AND LTD COMPANIES

*For insurance purposes, 'active' director means director who is active in their artistic discipline.

Business policy holders

If you employ staff or have volunteers you will need to arrange Public Liability cover for their activities under a business policy, as you have a liability for what they do. This applies in all cases – whether under direct supervision or not. If someone is injured as a result of the employees/volunteers activity, it is you that will be responsible. You will need to advise Axisweb if, at any point during your membership, you take on staff or volunteers.
