Found.

Beauty in the life that was.

Questions?

Surface - the whys and how.

Look.

You're more than a thing of wonder,  
More than a thing of beauty.

You're a wonder of life

Gone.

You're a picture of The agony of death.

.  
.

Sadness.

That you died so near,

Were there for  
so long.

Unheard.

Unknown, until

Now.
